HERE'S the POINT!

By SPENCE HELD

As this is written, Christmas is still a week off and I don't seem to have caught the Christmas spirit sufficiently to produce my usual deathless prose on the subject.

I'll say this, however:

Comes next Tuesday evening I'll be listening to "Silent Night" on the radio wtih my usual deep appreciation. As ever, it will remind me of Mme. Ernestine Schumann Heink . . . She used to sing that immortal song on Christmas Eve—and nobody has been able to take the place she held in the hearts of many Americans.

* * *

Point Loma blazed with colored lights this week and reindeer galloped over lawns and across rooftops.

Santa Claws—that's the way one local organization spells it—was making early appearances here and there . . . Yes, Virginia, there is a Santa CLAUS!

* * *

I made my semi-annual visit to downtown San Diego the other evening and encountered a variety of old newspaper pals, some of whom are now laboring in the public relations vineyard.

Ken Bojens, Norrie West and Mitch Angus were much in evidence at the Caliente blowout in El Cortez . . . It was a pleasure to chew the fat with them again.

* * *

My Texas correspondent came up with this one:

"I'm sure you've heard the advice the farmer gave the preacher after listening to 60 minutes of thought fragments whirling around in a high wind.

"'Son,' he said, "Don't you think it would be better to bale your hay before you deliver it?'"

* * *

Did you know that glasses have a dangerous effect on vision?

Yeah, if they've been emptied several times.

The National Safety Council, which studies the statistics, says that the throttle and the bottle are big factors in the annual Christmas holiday traffic toll.

Unfortunately, putting pieces in the papers isn't the answer to the traffic accident problem . . . The young fellas, many in military uniform, who kill themselves and others on the highway, aren't influenced by the written—or spoken—word.

Significant quotes:

Educator Robert M. Hutchins—"By definition, a moron is a person who cannot think, and one of the benefits conferred upon us by the industrial revolution is that it has made it possible for morons to be successful."

Douglas Kelley, U. C. criminologist, on human relations—"Try listening, sometime. It may be a shock to your nervous system, but you might learn something."

Christmas Card

George Meenes, Peninsula News circulation manager, received a Christmas card ("Mele Kalikimaka") from one of his former carrier boys now living in Hawaii.

Jon Clark, 14, who was a 'News' carrier for almost three years, wrote: "The islands are pretty nice but it's mighty hot most of the time. Waikiki is nice but it's awful hard to find any palm trees on the beach."

Jon formerly resided on Santa Cruz Ave., in Ocean Beach. His father, a Navy man, now is stationed in Hawaii.

Community Yule Program Planned In O. B. Monday

The Ocean Beach Chamber of Commerce, Woman's Club and the Baptist Church will sponsor a Comunity Christmas Program and Carol Sing Monday, Dec. 23.

This will open at 7 p.m. at the Community Christmas tree at the foot of Newport Ave. Rev. Allen Newman, Pastor of the Ocean Beach Baptist Church, will speak, and there will be community carol singing.

After the program the carolers will march up Newport Ave. to Sunset Cliffs Blvd. and the Baptist Church where refreshments will be served. Everyone is invited.

Nativity Scene To Be Presented By PL Methodist

For the third consecutive year the Nativity Scene with live animals will be presented in the patio of the Point Loma Methodist Church every evening beginning Saturday, Dec. 21 to 24.

The youth of the church will portray the characters.

Carleton J. Peterson, chairman of the Christmas program, will be assisted by Miss Sunny Johnson, and Mmes. J. C. Love, Frank Hodge, Virgil Waggoner, Maurice Papier, H. T. Stovall, John Atwood, Gertrude Wiley, Mark Insko and Millard Wilklea.

"Where Meek Souls Receive Him" will be the topic of the sermon to be delivered Sunday, Dec. 22, by the Rev. John Atwood. The chancel choir will sing "Glory to God in the Highest."

The annual Christmas Eve Candle Lighting Service will be held at 11 p.m. The chancel choir will sing Clokey's cantata, "When the Christ Child Came." Solo parts will be sung by Robert Ramsey, Millard Winklea, and Mmes. Ralph Schick and Wiley.

MISS WYATT WINS HONORS IN RIDING

She has been riding under instruction for four months and won a fourth place award in October in similar competition.

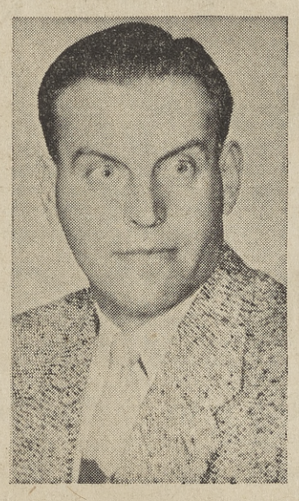
Hunt Appointed Branch Manager



LAMAR H. HUNT

Anderson Borthwick, president of The First National Trust and Savings Bank of San Diego, announced that Lamar H. Hunt, assistant cashier, has been appointed manager of the bank's new Ocean Beach branch.

The appointment followed an announcement that First National would open its 19th office at 1919 Cable St. in Ocean Beach.

Prior to the announcement, Hunt was assistant manager of First National's El Cajon branch. He joined the bank in 1941 and subsequent assignments have given him a broad background in the banking field. Hunt was made assistant manager of the El Cajon branch in January 1954 and in December 1956 he was made an assistant cashier by action of the board of directors.

Hunt was born in Pachuca, Mexico and attended school in Los Angeles and Riverside counties. He served in the army during World War II and the Korean conflict. He is active in Masonic work and other civic organizations.

He resides with his wife and daughter at 8815 Country Club Place in Spring Valley.

Private Webb was voted "Honor Man" of Platoon 298, consisting of 75 men, and also "Honor Man" of "F" Company, consisting of 300 men. For being named Honor Man of the Company, he was given a set of Marine dress blues by Leatherneck Magazine.

Webb was also one of 15 men out of the 300 promoted to Private First Class. In addition he was awarded a trophy for the second highest score in rifle markmanship in his platoon. He scored 228 out of a possible 250 to attain the coveted Expert Rifleman badge.

Pfc Webb will report to Camp Pendleton and then return to MCRD to attend the Communications School.

United Fund Drive Hits $17,484 In Ocean Beach-Point Loma Area

With just a few days left until Christmas, the United Fund's critical campaign to reach its "stepping stone" goal of $3,353,678 continues.

This is slightly more than all units raised in separate campaigns last year, according to Rabbi Morton J. Cohn, campaign chairman.

House-to-house campaigners in the Ocean Beach-Point Loma area have reached $17,484 for 92.9 per cent of their $18,830 stepping stone quota, according to Mrs. James Marlow, area chairman.

The reduced quota is 79 per cent of $23,836, the ultimate need figure for this area, she added.

The drive's "crash period," which started Dec. 2, ended last Friday with a noon report luncheon at the Mission Valley Country Club.

"But there is still time for campaigners to make every effort to cover their assignments completely before the Christmas holiday," Cohn said.

SPECIAL AWARD—Mrs. R. R. Darron, center, of 1560 Venice St., chairman of the Silver Gate United Fund district, accepts a special award on behalf of the residential campaigners in her district who were the first in the Ocean Beach-Point Loma area to reach their full quota. Presenting the card holder award are Mrs. Kenton C. Lint, county-wide residential chairman, and Rabbi Morton J. Cohn, chairman of the over-all campaign.

HAPPY HOLIDAYS!

The Peninsula News management, staff members and carrier boys join with other Ocean Beach and Point Loma businesses in extending best wishes for the happiest holidays ever!

Along with our greetings, we'd like to send our sincere thanks for your patronage and good will. You've helped make this past year a fine one for us, and it's been a real pleasure to serve you.

Here's hoping you have a wonderful time during the Yuletide season and in the year to come.

They are Wayne Clarke, president; Carolyn Lake, vice-president; Gerald Hooton, secretary, and Beth Pickins, treasurer.

Purpose of the group is to organize social functions for the young adults of the community. Meetings are held every Sunday from 7 to 9:30 p.m. in Wallace Hall next to the church. All those interested in having a good time are welcome, it was said.

Prominent among the organizers are Mr. and Mrs. Rodger Ramirez, Mr. and Mrs. Slade Sibley and Mr. and Mrs. Ward Waite.

Cal Western Forms Engineering School

Dr. William C. Rust, president of California Western University, yesterday announced formation of the new Cal Western School of Engineering, which will use the Institute of Aeronautical Sciences Building at 3380 North Harbor Drive as its campus.

D. P. Germeraad, chief engineering test pilot, represented the I.A.S. in a leasing transaction with California Western University. Germeraad said the Institute will continue to hold its business meetings in the building.

Dr. Rust, when accepting the lease for California Western Universtiy, spoke of the importance of the new School.

"We have been planning our School of Engineering for two years,' he said. "Dr Edmund T. Price of our Board of Trustees, along with Harold Starkey, chairman of the Trustees, have spearheaded the organization and details necessary to make it a reality."

Classes To Start

Some classes in engineering and mathematics will be given in the I.A.S. building starting Feb. 5, the beginning of the spring semester for California Western University, Rust stated. These will be scheduled for late afternoons and evenings. A full course in Engineering will see classes in the daytime and evenings commencing in September at the Harbor Drive campus.

Six new instructors are to be added to the California Western faculty to form the corps of professors for the School of Engineering. Several faculty members now at the Point Loma campus will teach correlating courses necessary for the Engineering degree which California Western will be issuing. (Bachelor of Science in Engineering.) Personnel to fill the six new faculty openings for the Engineering School will be announced soon, Rust said, as negotiations with leading teachers throughout the country are being completed.

An advisory committee of the University's School of Engineering is being formed comprising outstanding engineers of the San Diego area. Purpose of the committee is to assist Dr. Rust in formulating curriculum and development of the School.

The following men have thus far accepted appointment to this Advisory Committee: Dr. C. L. Critchfield, director of scientific research, Convair; Dr. Marvin Stern, technical assistant to the vice president of engineering, Convair; Frank McCreery, vice president, engineering, Rohr Aircraft; Burt Raynes, vice president, manufacturing, Rohr Aircraft; John V. Long, director of research, Solar Aircraft; Philip M. Klauber, engineering chief, Solar Aircraft. Others are to be added within the next week, Rust said.

To Adapt Building

The Institute of Aeronautical Sciences Building will be adapted to the needs of the Cal Western Engineering School, with slight alterations to begin this week. When completed in time for the February classes, the campus will contain seven classrooms, a library and auditorium

"The opening of the California Western University School of Engineering," Rust concluded, "is another part of the orderly growth and development of the University's curriculum.

"We feel it is important that in addition to engineering skills, those students who embark on a career in such a technical field should also be well-grounded in the humanities and human relations, the areas which represent the greatest need for leadership in our world today."

Humane Society Offers Pets

A pet for Christmas is what the San Diego Humane Society recommends for the family which has everything but an animal around the house—"and we will furnish the pet," says Dr. A. P. Immenschuh, Society president.

The Humane Society, a non-profit community service organization, runs a pet placement service at its animal shelter at 887 Sherman St., off Morena Blvd.

Last year the holiday rush for pets left just seven dogs in the shelter's kennels on Christmas eve and completely cleaned out the five puppy runs. The traffic in kittens kept the cattery door swinging even after hours on the night before Christmas.

SILVER GATE

Climaxing a busy fall season at Silver Gate Elementary School was the annual Faculty Christmas party last night at the home of Mrs. Betty White. Helping with the planning were members of the Social Committee, Mary Beth Frazer and Henry Wade.

Christmas Play

The Christmas play, "The Perfect Gift," enjoyed by the parents Tuesday night at the PTA meeting, was presented by the fifth and sixth graders under the direction of Miss Mary Jane McIntyre, principal. Those sixth graders taking part had returned from Camp Cuyamaca just in time for the rehearsals.

This year the sixth grades enjoyed their week of school camp Dec. 9 through 13. 140 boys and girls wtih their teachers, Dick Knowles, Gene Edlebrock, John Crowson and Dick Cuthbert, saw their conservation studies come alive as they experienced first-hand many of the lessons they had studied, plus the practical lessons of democratic living.

Weddings

November was the month of weddings at Silver Gate as three members of the faculty chose it as the important date. Carol Noulett, fourth grade teacher, married Theodore Nast, an engineer at Convair, on Nov. 2. Dick Cuthbert, sixth grade, and Verna Anderson, who teaches at Longfellow School, were married Nov. 9. Colleen Dorius resigned from the faculty as her marriage to John Roundy on the 11th meant a move to Corpus Christi, Texas.

The faculty has welcomed Miss Marilyn Higginbottom of Ogden, Utah, who has been assigned to Miss Dorius's fifth grade class.

Inaugurating a new idea, the PTA held its first dinner dance at the Admiral Kidd Club on Friday, Dec. 6. 150 parents and teachers attended.

Mr. and Mrs. Ralph E. Nolan Jr., of New Orleans, are at home now in the 600 block of Catalina Blvd. The family includes two daughters, Janet, 12 and Linda, 4.

Lioness Club

The Peninsula Lioness Club entertained their husbands at their annual Christmas party Wednesday, Dec. 11 at the Ocean Beach Woman's Clubhouse.

Mrs. Jules Joniaux, Mrs. Leonard Van Stelle, Mrs. George Campbell and Mrs. William Lyle headed the committee to arrange the cooperative dinner and exchange of gifts. Everyone participated in singing Christmas carols and playing games to round out an enjoyable evening.

O. B. Penwomen

Miss Marjorie Davis will be hostess to Ocean Beach Penwomen when the local club gathers at her home at 3747 Dudley St. for its annual Christmas party on Friday, Dec. 27 at 7:30 p.m.

Receiving congratulations will be Josephine June Barrows, whose poem, "Patchwork Picture," was featured in the November issue of the Pen Woman.

Daisy Munchiando, president, received a president's pin at the November meeting of the club.

To the American People:

Christmas is not a time or a season, but a state of mind. To cherish peace and good will, to be plenteous in mercy, is to have the real spirit of Christmas. If we think of these things, there will be born in us a Savior and over us will shine a star sending its gleam of hope to the world.

CALVIN COOLIDGE

(The above message was clipped from a Pasadena paper 30 years ago by Mrs .Bessie L. Freeman, of 4412 Santa Cruz Ave., who ran across it recently among her souvenirs. We want to thank her for sharing it with us.)

SALUD, AMIGOS

Across the border in old Mexico
There's no Santa Claus,
No Christmas trees,
No snow,
So .....
Can you imagine how they honor that day
When Christ was born
Down Bethlehem way?
Can you?
Well .....
On Dec. 16 nine familes gather 'round
To visit nine homes throughout the town.
They knock at a door of a home each night
They knock on the left side; they knock on the right.
Knock, knock .....
They're dressed in their Sunday best,
Serapes, sombreros, and fancy vests.
Que bonita es!
Que bonita es!
They form a procession and each night they try
To enter a home of a person near by.
Pretending to be Joseph and Mary, you see,
Searching a birthplace for the Christ baby.
But .....
No one will let them in
Then .....
On Christmas eve a door opens wide
And all the people are asked inside.
They bring in a manger scene with figures of clay
Of Joseph and Mary with the baby asleep in the hay.
They put out their candles and right then and there
A pinata goes up—fun's in the air!
Now .....
Across the border of old Mexico
There's no Santa Claus
No Christmas trees,
No snow.
But .....
A Mexican Christmas is wonderful to see,
It's lovely, delightful, delicious—
Do you agree?
Si!

HITHER, THITHER, YON

For the third consecutive Christmas, **Mr. and Mrs. Harold C. Smith** and their children, Peggy and Edwin, are spending the holidays at Sun Valley . . . LOVE THAT GUY!

"Young people aren't what they were in my day," griped the old man.

"No, they aren't," agreed his colleague. "They're a lot better."

FROM ME TO YOU

If there's any wish or dream
You're hoping will come true,
Anything close to your heart
You'd like to have or do—
Here's hoping far more
Than words can say
That everything you wish for
Is yours this Christmas Day!

Largest Taxpayer

San Diego County's largest property taxpayer — the San Diego Gas & Electric Company last week gave a check for $2,705,903.66 to Wilbur Easton, County Tax Collector. It was in payment of the first-half of the utility's 1957-1958 San Diego County property tax.

Arthur R. Cox, vice-president and treasurer of the San Diego Gas & Electric Company, said the organization's total 1957-58 San Diego County property tax payment will be approximately $5,425,000. He added that the first-half installment is $288,709.77. more than last year's for the same period and that the year's full payment for San Diego County will be $578,543.37 greater than the preceding 1956-57 total.

Three Handicaps Scheduled At Agua Caliente

AGUA CALIENTE — Its annual salute to the dawn of another winter and to the Yuletide season will be made at Caliente next weekend with two days of turf sport during which no less than three handicaps will be presented.

Of particular interest will be the deciding of the border two-year-old crown Saturday afternoon when the headliner will be the Champion Handicap in which most of the top juveniles developed here during 1957 will be brought together for a six-furlong contest. Supporting feature, the Winter Purse for three-year-olds and up going three quarters of a mile, will celebrate the first day of winter.

Twin handicaps share the honors on Sunday's 11-race card, the Yuletide Invitational for sophomores and older horses going a flat mile, and the Christmas Handicap, which should entice the tracks' finest sprinters into action.

This will be the first time in 11 weeks that Caliente has limited its activity to two days, Friday racing having been suspended after a successful run.

City Junior high school competition in basketball and track and field will be tried on an experimental basis this year.

WHAT'S DOING

M. B. Schwartz, your Telephone Manager in San Diego

Every so often I'll pick up a newspaper and read how telephone people have helped save a life somewhere. First aid instruction (above) deserves a lot of credit for this. For years we've been teaching our people first aid. Special courses like this are a part of their telephone training, under our continuing Safety Program. Our people have found that the safety methods they learned on their telephone jobs have proved mighty helpful when away from work. We think it makes good sense to have everyone well-trained in case of emergencies. Everybody's better off that way.

* * * * *

Looking for a Christmas gift idea that's both original and practical? Then give extension telephones — in color. Whether you're shopping for Mother, Father, Son, Daughter, Grandpa or Grandma, here's a gift that'll ring the bell all year long. And color phones not only give convenience and pleasure; they add a touch of beauty to any room. Shopping's easy, too. Just call your telephone business office.

SEASON'S GREETINGS

Here's a suggestion to help you avoid possible delay and disappointment in placing Christmas calls to folks back East this year. If you make your call a few days before or after Christmas Day, you will be more sure of the fast service you've come to expect. However, all the lines will be very busy on Christmas Eve and Christmas Day, and there's bound to be some delay, and some calls may not get through at all.

The men and women of Pacific Telephone wish you all a most happy holiday season.
